

# Nakamura WT150 - VIB Nr. 01-28871

## Wichtige Daten im Überblick

Type	CNC lathe
Location	ab Standplatz der Maschine
Country of origin	Japan
Coolant	Öl
Control	Fanuc 18i-T
VIB-Nr	01-28871

## Description

- Main and counter spindle
- 2 x C-axis
- 2 x rotary motor
- Rotating tools on turret (2 x 24 positions)
- Y-axis on turret 1
- Hainbuch collet system
- FMB bar feeder (year 2002)
- High pressure coolant system Knoll with integrated coolant filtration (year 2011)
- Chip conveyor
- Programmable arm for parts removal from the counter spindle
- Arm for parts removal from the main spindle
